## Important Travel Changes for Students: Bus Replacing Trains from 30 September

Dear Students,

The NSW Government has announced that the **T3 Bankstown train line will be closed** between Sydenham and Bankstown **from 30 September 2024**. This closure will last up to **12 months**.

During this time, **trains will not run**. Instead, **free buses** will take their place. These buses are called **Southwest Link**.

### Important Dates:

- **21 to 29 September:** Trains will stop running between Birrong and Campsie. Buses will replace these trains between Lidcombe, Bankstown, and Campsie.
- **30 September onwards:** Trains between Sydenham and Bankstown will be replaced by Southwest Link buses.

See the diagram below to understand where the SW1, SW2, and SW3 buses will stop.

### Southwest Link bus services

### New Train Service from 30 September:

A new train service will start between Lidcombe and Bankstown, called the **T6 Lidcombe & Bankstown Line**.

Students can switch between the new T6 Lidcombe & Bankstown Line and the T3 Liverpool & Inner West Line at Regents Park to travel to the Sydney CBD, Liverpool, or Bankstown.
